

# SUSAN B. ANTHONY RESOURCE CENTER AT HVMS

This year, it's more important than ever for children to keep reading over summer break. Summer reading is a great way for families to bond and develop a love of reading and learning.

When children participate in summer reading, they:

- are motivated to read;
- develop positive attitudes about reading, books, and the library;
- maintain or improve their reading skills during summer vacation!

On the back you will find our school's summer reading log. Each child who reads over summer vacation and returns the log to our library during the first week of school will receive a small prize. For every book recorded on your log, you will receive one chance for the grand prize drawing. The more books you read, the more chances you earn!

Prevent the summer slide, and be ready for school in the fall, by participating in our Summer Reading Challenge.

## On Your Mark, Get Set... READ!
